# TOLERANCIA

La palabra tolerar proviene del latín *tolerare*. Y *tolerare* viene de *tolle*. *Tolle* es levantar, física o figuradamente. Tanto *levar* anclar o izar la bandera como *subir* el ánimo o *levantar* un clamor. También puede *tener* la acepción, más acorde con lo que se podría entender como *tolerancia*, de *retirar*, *detener* o *eliminar* una prohibición. *Tolerare* viene a significar *sostener*, *aguantar* o *resistir*. También significa *llevar* o *sobrellevar*, tanto algo material como espiritual, *llevar* una carga o *sobrellevar* una pena o un sufrimiento. Se relaciona entonces con la *tolerancia* en cuanto que lo *tolerado* es siempre algo malo que hay que *soportar*.
